REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Jaffrey:

I submit herewith my sixteenth annual report as superintendent of schools, this being the twenty-fifth in the series under union supervision. The report of Headmaster Beal of Conant High School is included in this report.

The total school enrollment for the first twelve weeks of the present school year is 583, which is twenty-seven larger than the figures for the school year 1932-33.

The reduced school budget adopted last March necessitated the dropping of one teacher as well as the reduction of salaries of all teachers receiving more than \$900 per year.

Miss Dorothea Vanni, who had taught grades three and four during the past two years resigned July 1st, and Miss Elizabeth S. Bunker was assigned to grades one and two, and Miss Frances Jackson to grades three, four and five.

As will be noted in the statistical table, all teachers have large grades, and several of the high school classes have been divided on account of their size.

In order to retain our supervisor of music it was necessary to have Mrs. Whitcomb go on half time, coming to our schools once in two weeks. It is to be regretted that this change was required, but the work is being carried on in a very satisfactory manner.

Through an arrangement with the District Nursing Association and the State Supervisor of Health, Miss Margaret Harris began work as School Nurse December 1st. All pupils have been thoroughly examined and follow-up work carried on. Miss Josephine Cassidy, a graduate of Keene Normal School, was assigned to this union as a C. W. A. worker, and assisted Miss Harris from Dec. 1st until Feb. 15th.

An outbreak of measles just before and during the Christmas vacation delayed the opening of schools until January 8th. The week lost at this time will be made up at the close of the school year.

During the summer vacation the necessary repairs mentioned in my last report were made on the roof and walls of Conant High School, and on the roof of Union Hall annex. The expense of this work was greater than the original estimate called for, and the special appropriation was considerably overrun.

At the opening of school in September it was found that the old boiler in Union Hall building was unsafe, and a new steam boiler was installed.

During the spring term of 1933 a Dental Clinic was carried on for the pupils of the primary grades. The Parent-Teacher Association contributed \$100.00 toward this work, and Dr. Wilkins and Dr. Charles co-operated generously in making the clinic a success. Miss LaFreniere and the P. T. A. committee assisted greatly in the work of transporting the children and getting them ready for the dentists.

The school board budget will call for about the same regular appropriations as last year. No increases in salaries are anticipated, but with rising prices it does not seem wise to reduce the items that are necessary to carry on the work of the school efficiently. It must be remembered that our schools are constantly increasing in size and it is poor economy to allow them to be inefficiently equipped.

I desire at this time to thank the school board, teachers, pupils, and all interested citizens who have loyally supported our schools during the past year.

Very truly yours,

LEWIS S. RECORD,
Superintendent of Schools.

East Jaffrey, N. H.,
February 12, 1934.

REPORT OF HEADMASTER OF HIGH SCHOOL

To Lewis S. Record, Superintendent of Schools, East Jaffrey, N. H.
The following is my fourth annual report as Headmaster of Conant High School:

Teaching Staff

All of our teachers returned this year to find conditions even more crowded than heretofore. We have had to divide several classes either because of the large number of pupils or on account of lack of available room.

Enrollment and Attendance

While the total enrollment for the year is one hundred thirty-one, the actual number of pupils on February 9 is one hundred twenty-two, forty-nine boys and seventy-three girls. These pupils are distributed by grades as follows:

Boys	24	9	10	6	
Girls	25	15	23	9	1
	<u>49</u>	<u>24</u>	<u>33</u>	<u>15</u>	<u>1</u>

The average attendance for the first twenty weeks has been 121.35 and the average membership 124.13. This is a percent of attendance of 97.76 as compared with 97.02 for last year.

The following pupils have had a perfect attendance record for the first twenty weeks of the current year.

Extra-Curricula Activities

Music. Mrs. Mildred Whitcomb has the supervision of the High School music again this year. Although Mrs. Whitcomb comes only once in two weeks, she has developed the chorus and Glee clubs as she did last year, and is planning a spring musicale.

Scholarship. At graduation last June the following awards were made: For highest honors in English, Kathleen Cournoyer; in History, James Fitzgerald; in Mathematics, Joseph Coll; best all-round girl, Barbara Messing; best all-round boy, Joseph Coll; in Typewriting, Emily George. Conant High Seniors made a creditable showing last year in the Keene Normal School Scholarship tests and also in the three customary State Department tests. Two Parent-Teacher scholarships of \$100.00 were awarded to Barbara Messing and Mildred Cutter.

Washington, D. C., Trip. The present seniors are planning to go to Washington during their Easter vacation. The system of saving for these trips has been explained in my 1933 report. In this connection future classes are asked to leave any bank balance for the benefit of other Washington Trip classes. I would like to suggest further that classes which have graduated and have small bank balances will these amounts to this Fund.

Athletics. In Athletics our programs have been curtailed on account of expense. However, a Field Day was held in October for the grades, and we have continued our baseball and basketball games in the Monadnock League.

Dramatics. On November 17 the Class of 1934 presented "In Came Mary Anne" to a large and appreciative audience. Then on February 9 the Class of '33 gave the play "Oh, Professor." Both of these plays were under the direction of Miss Margaret Cournoyer, teacher of English, and realized substantial sums for the Washington trips.

Conclusion. Our High School is still growing. With the graduation of the present senior class and the entrance of a Freshman class of over forty our total number of pupils next year will be over one hundred and forty. The eighth grade will number over sixty next year.

Parents should make certain that they see the report cards of their children every six weeks and interpret the marks correctly. I have known parents to be surprised to hear that their son or daughter was not going to graduate, when the report card has shown only continued failure for most of the year.

Due to contemplated changes in the curricula there has been no commercial subject for Freshmen this year. Beginning next year, however, the course in Junior Business Training will be prescribed for Commercial Freshmen.

Finally, I want to thank you for your encouragement and cooperation in working out our high school problems this year.

Sincerely yours,

JARVIS T. BEAL,
Headmaster.
